

Municipal Bulletin

I would like to thank everyone who supported me during the last election campaign. As I told you during my campaign, I make no promises other than to give 100% at all times.

I have always cared about my community and I will continue to do so. I hope that we can work together for the good of all of us to make our little corner of the country the best it can be.

This summer, like last summer, we will not have a festival, but we will have a bazaar. This event will bring some activities to our town. It's a bit sad that our activities are limited, but let's not lose hope! Next year, we will be able to celebrate in a big way.

Have a great summer!
Stella Richard
Mayor

50th SCALLOP FESTIVAL

It is with great sadness that the Scallop Festival announced the cancellation of our 2021 festivities because of the current situation with COVID-19. We were very excited to celebrate the 50th anniversary, but the festival-goers and volunteer's health and security are more important. That being said, we will celebrate our 50th in July 2022. Thank you for understanding.
